

# UNITEN TRAINING ACADEMY

## ENERGY MANAGEMENT SERIES

1. Energy Management Series
2. Energy Efficiency
3. Energy Sustainability
4. Energy Economics
5. Artificial Intelligence Usage in Renewable Energy

## HUMAN RESOURCES & MANAGEMENT SERIES

1. The Future of HR: Re-engineering the Employee Experience
2. Effective Performance Management
3. HR Analytics: Using Data to Drive Results
4. Managing Compensation and Benefits
5. Talent Management & Organizational Learning
6. Aligning Training and Business Strategy
7. Internal Consultancy Skills
8. People Analytics

## ENGINEERING SERIES

1. Electric Power Transmission Lines
2. BIM for Energy Infrastructure
3. Energy Infrastructure Management
4. Dam Safety and Risk Assessment
5. Geographic Information System and Spatial Analysis
6. Artificial Intelligence Usage in Disaster Management
7. Artificial Intelligence Usage in Renewable Energy
8. Artificial Intelligence Usage in Civil Engineering Structures
9. Robotics
10. Mastering Internet-of-Things
11. Dam Safety Principles and Practice
12. Geophysics Method for Slope Assessment
13. Electronics Troubleshooting for Technician
14. Solar PV Installation and Maintenance
15. Advanced Teaching Technology Series
16. 3D Printing Intensive Course
17. Modern Antenna Range Measurements Training
18. Engineering Management
19. Basic Electrical Wiring

## COMPUTING AND INFORMATICS SERIES

1. Foundations of Generative AI
2. Leading an AI Transformation
3. Mastering ChatGPT AI
4. SQL Database Administration
5. Analyzing Data in Excel
6. Data Visualization
7. Introduction to Matlab
8. Cloud Security Bootcamp
9. Database Business Intelligence
10. Data integration
11. Python Language Bootcamp
12. Network Bootcamp
13. Web development Course
14. Web app Vulnerability Analysis
15. Cryptography For Data Security
16. Practical Data Mining And
17. Predictive Analytics

The Energy University

UNITEN TRAINING ACADEMY

UNITEN PROFESSIONAL SERVICES

UNITEN LABORATORY SERVICES & SPACE RENTAL

YOUR SOLUTIONS  
PARTNER

## To customer

We offer and manage professional services to foster long-term value for the university through our relationships with customers, markets, and the local and global community. As catalysts and champions of knowledge exchange, we actively engage with external organizations to identify new business collaborations and networks.

## Our Priority is Quality

Our team collaborates with university colleges and research institutes to support and advise on projects & training involving third parties. With over 20 years of experience, we welcome opportunities to discuss an ideas and potential collaborations.

## UNITEN PROFESSIONAL SERVICES

- E-Learning
- Micro-credentials
- OSH-Coordinator
- Occupational Safety & Health Assessment
- BEM Conversion Program
- Overseas University Collaboration Program
- Edu-tourism
- Event Management Package

## UNITEN LABORATORY SERVICES & SPACE RENTAL

- Scanning Electron Microscope Laboratory
- Civil Engineering Laboratory
- Mechanical Engineering Laboratory
- Electrical Engineering Laboratory
- Chemistry Laboratory
- Computer Laboratory
- Sport Facilities
- Seminar Room Facilities
- Library Facilities
- Classroom Facilities
- Hall Facilities
- Culture Facilities
